ABOUT THE COMPANY

Gulf Union Ozone Trading Co. (شركة اتحاد الخليج أوزون للتجارة) is a mixed-ownership LLC incorporating Saudi and international partners. Headquartered in Jeddah's Ar Rabwah District with branches in Umluj and Baish, the company supplies a wide range of industrial products — including valves, piping, flanges, and pipe fittings — covering 59 material number categories aligned with the SAEP-347 stockable materials list.

STRATEGIC POSITION

Three-location presence across the Western (Jeddah HQ), Northern Red Sea (Umluj), and Southern (Baish/Jazan) regions of the Kingdom enables rapid, responsive supply to industrial facilities and project sites. Port-adjacent Jeddah location ensures efficient import clearance through Jeddah Islamic Port for international procurement.

OUR MISSION

To deliver quality-assured industrial products with speed, precision, and integrity — empowering the Kingdom's industrial and energy sectors to operate reliably. We are the trusted supply partner that clients depend on when reliability is non-negotiable and project timelines cannot be compromised.

OUR VISION

To become a registered and preferred industrial supply partner for the Kingdom's leading operators — recognized for product depth, supply reliability, and a commitment to meeting the technical standards required by the most demanding projects in the energy and industrial sectors.

CORE VALUES

01 Reliability Above All

Multi-branch inventory network and established import channels ensure product availability when it matters most, including emergency and shutdown supply scenarios.

02 Technical Expertise

Our team understands SAMSS, SAES, and SAEP specifications. We match Aramco material numbers, advise on acceptable alternatives, and provide full material documentation including MTCs and certificates of conformance.

03 IKTVA & Vision 2030

Committed to the In-Kingdom Total Value Add program with a 45% Saudi ownership. We prioritize local sourcing, Saudi workforce development, and contribute to the Kingdom's industrial supply ecosystem.

04 Uncompromising Quality

Products are sourced to meet strict international and industry engineering specifications. Systematic control of sourcing, incoming inspection, storage, and delivery ensures no substandard product reaches our clients — a standard we maintain to be ready for supply on day one of registration.

05 Compliance & Integrity

Full compliance with ZATCA, MoC, GOSI, and all applicable Saudi regulatory requirements. Complete financial transparency and adherence to vendor code-of-conduct and anti-corruption standards.

IKTVA & Vision 2030 Alignment

45% Saudi ownership under Chairman Hassan Al-Sheikh with headquarters in Jeddah. The company actively supports In-Kingdom Total Value Add (IKTVA) objectives through local supply chain development, Saudi national employment, and regional economic contribution across the Western, Northern, and Southern corridors of the Kingdom.

SECTION 05

Saudi Aramco SAEP-347 Material Numbers — Valves (23 Numbers)

The following 23 valve material numbers are drawn from **Saudi Aramco Engineering Procedure SAEP-347 — "Supplying Material from Stockists"** (Annex 4 — List of Stockable 9COMS). Gulf Union Ozone Trading Co. supplies products that fully meet the specifications of each listed category, sourced from verified international manufacturers.

MATERIAL NO.	FULL DESCRIPTION (PER SAEP-347)	VALVE TYPE
6000000240	Valve Ball; Size up to 2 in., Socket Weld, Threaded, or Special End Conn, Seat Supported, 04-SAMSS-035, 04-SAMSS-048, With or Without Actuator	Ball Valve ≤2"
6000000246	Valve Ball; Size NPS 1/4 to 2 Inch, Any Rating, Socket Weld, Threaded or Special Ends, Steel Body, 04-SAMSS-035, 04-SAMSS-048, With or Without Actuator	Ball Valve ≤2"
6000000319	Valve Ball; Any Size, Any Rating, Any End Conn, Non-Ferrous (Bronze/Brass) Body, 04-SAMSS-035, 04-SAMSS-048, With or Without Actuator	Ball Valve NF
6000000320	Valve Ball; Size up to NPS 2, Any Rating, Any End Conn, Any Material Body, Style Multiport, 04-SAMSS-035, 04-SAMSS-048, With or Without Actuator	Ball Valve Multiport
6000000255	Valve Butterfly; Size up to 12 Inch, Class 150 Only, Non-Ferrous Body, 04-SAMSS-035, 04-SAMSS-048, Concentric Design, All Ends, With or Without Actuator	Butterfly ≤12"
6000000259	Valve Butterfly; Size 14 Inch and Up, Class 150 Only, Non-Ferrous Body, 04-SAMSS-035, 04-SAMSS-048, Concentric Design, All Ends, With or Without Actuator	Butterfly ≥14"
6000000264	Valve Check; Size 1/4 Through 2 Inch, Steel Body, Ball, Flanged or Butt Weld End Conn, 04-SAMSS-035, 04-SAMSS-048	Check ≤2" Steel
6000000265	Valve Check; Size NPS 14 and Above, Any Rating, Non-Ferrous (Brass/Bronze) Body, Dual Plate, Wafer End Conn, 04-SAMSS-035, 04-SAMSS-048	Check NF ≥14"
6000000267	Valve Check; Size NPS 2 Thru 12, Any Rating, Non-Ferrous (Brass/Bronze) Body, Dual Plate, 04-SAMSS-035, 04-SAMSS-048	Check NF 2"–12"
6000000270	Valve Check; Size 1/2 Thru 2 Inch, Steel Body, Threaded, Socketweld, Flanged or Butt Weld Ends, 04-SAMSS-035, 04-SAMSS-048	Check Steel ≤2"
6000000271	Valve Check; Size 1 Inch Through 12 Inch, ANSI Class 150 and Up, Steel Body, Piston, Flanged or Butt Weld End Conn, 04-SAMSS-035, 04-SAMSS-048	Check Piston ≤12"
6000000275	Valve Check; Size up to 12 Inch, Cast or Ductile Iron Body, Swing, Flanged, Lug or Wafer End Conn, 04-SAMSS-048, 04-SAMSS-005	Check CI Swing
6000000292	Valve Gate; Size up to NPS 12, Any Rating, Non-Ferrous (Bronze/Aluminum-Bronze) Body, 04-SAMSS-035, 04-SAMSS-048, 04-SAMSS-001	Gate NF ≤12"
6000000295	Valve Gate; Size up to NPS 4, Any Rating, Socket Weld/Threaded/Flanged/BW End, Steel Body, API 602, 04-SAMSS-035, With or Without Actuator	Gate Steel ≤4"
6000000296	Valve Gate; Size up to NPS 12, Any Rating, Cast or Ductile Iron Body, 04-SAMSS-035, AWWA, With or Without Actuator	Gate CI ≤12"

MATERIAL NO.	FULL DESCRIPTION (PER SAEP-347)	VALVE TYPE
6000000297	Valve Gate; Size NPS 14 and Above, Any Rating, Cast or Ductile Iron Body, 04-SAMSS-035, AWWA, With or Without Actuator	Gate CI ≥14"
6000000299	Valve Globe; Any Size NPS, Any Rating, Non-Ferrous (Bronze/Aluminum-Bronze) Body, 04-SAMSS-035, 04-SAMSS-048, With or Without Actuator	Globe NF
6000000300	Valve Globe; up to 4 NPS, Threaded/Socketweld/Flanged/BW End, Steel Body, 04-SAMSS-048, 04-SAMSS-035, API 602, ASME 16.34, With or Without Actuator	Globe Steel ≤4"
6000000302	Valve Globe; Any Rating, Any Ends, Cast or Ductile Iron Body, 04-SAMSS-035, 04-SAMSS-048, 04-SAMSS-002, With or Without Actuator, Any Size	Globe CI
6000000324	Valve Check; Size NPS 2 and Up, Any Rating, Non-Ferrous (Brass/Bronze) Body, Any Type (Except Dual Plate), Any Ends, 04-SAMSS-035, 04-SAMSS-048	Check NF ≥2"
6000000327	Valve Check; Size NPS 2 Thru 12, ANSI CL 150 and Up, Cast or Ductile Iron Body, Dual Plate, 04-SAMSS-035, 04-SAMSS-048, API 594	Check CI Dual Plate
6000000328	Valve Plug; Size up to NPS 12, Any Pressure Rating, All Ends, Cast or Ductile Iron Body, 04-SAMSS-035, 04-SAMSS-048, With or Without Actuator	Plug Valve
6000009454	Valve Check; Size 14 In. and Up, Any Supply, Cast or Ductile Iron Body, Swing, Flanged, Lug or Wafer End Conn, 04-SAMSS-035, 04-SAMSS-048	Check CI ≥14"

SECTION 07

HSE, Quality Control & Compliance

Health, Safety & Environment (HSE) — GOSI Certified Zero-Injury Record
GOSI Occupational Safety & Health Certificate (2025) confirms **ZERO workplace injuries** in the 2025 reporting period. All handling, storage, and delivery operations comply with KSA environmental and safety regulations. Hazardous materials are stored, labeled, and transported per applicable SASD and GI requirements. Active GOSI registration maintained (Reg. 634040994).

**INCOMING INSPECTION**
All received products checked against PO specifications before acceptance into inventory. Non-conforming products segregated and returned.

**DOCUMENT CONTROL**
Full traceability of MTCs, mill certificates, manufacturer data sheets, and conformance certificates. Provided with every delivery.

**SUPPLIER QUALIFICATION**
Approved Vendor List with periodic performance reviews. Only manufacturers and distributors with verified credentials are admitted to our supply chain.

**STORAGE & PRESERVATION**
Products stored per specification requirements. Valve internals and pipe ends protected. Segregated storage for hazardous and sensitive materials.

**LOGISTICS & DELIVERY**
Full delivery documentation: packing lists, conformance certificates, MTCs. Packaging tailored to product type and project site requirements.

**ENGINEERING STANDARDS**
Familiar with SAES, SAMSS, SAEP-347, and applicable GIs. Products are sourced to meet 04-SAMSS-035, 04-SAMSS-048, 02-SAMSS-005, 01-SAMSS-035, and 01-SAMSS-046 specifications among others.

INTERNATIONAL TECHNICAL STANDARDS
Products sourced per ASME, ASTM, ANSI, API, DIN, BS, EEMUA-234, and SASO specifications. Third-party inspection (TPI) and expediting available on request for critical purchase orders.

REGULATORY COMPLIANCE
Full compliance with ZATCA (VAT & e-invoicing / FATOORA), GOSI, HRSD (Nitaqat/Saudization), Ministry of Commerce (MoC), and all applicable KSA regulations governing industrial trade and supply.

SECTION 11

Saudi Aramco Supplier Code of Conduct — Compliance Statement

Acknowledgment — Saudi Aramco Form 9677 (SCP&SD/483-100)

Gulf Union Ozone Trading Co. hereby acknowledges and agrees to abide by all policies and principles of Saudi Aramco's Supplier Code of Conduct (Form 9677, December 2022). Our employees, officers, directors, agents, and representatives are aware of and shall abide by such policies in the process of preparing bids and proposals, providing goods and services, and administering all agreements entered into with Saudi Aramco.

COMPLIANCE PILLARS

COMPLIANCE WITH LAWS, CODES & REGULATIONS

We comply with all applicable laws, codes, and regulations as set forth in procurement documents and agreements, including technical specifications, proposals, invitations to bid, solicitations, and all contractual and purchasing agreements with Saudi Aramco.

ENVIRONMENTAL, HEALTH & SAFETY (EHS)

Our facilities are designed and safely operated in compliance with government and industry environmental protection policies. We maintain safe, sanitary, and healthy working environments. Compliance includes: environmental permits, hazardous material handling, safety training, accurate safety records, and health & hygiene practices.

ETHICAL BUSINESS PRACTICES

We conduct all business with the highest standards of ethical behavior. Our Business Ethics and Code of Conduct Policy covers: conflict of interest, bribery and corruption, gifts and entertainment, fraud and misconduct, and whistleblower protection. All personnel receive comprehensive ethics training.

LABOR & HUMAN RIGHTS

We ensure the basic human rights of all employees, treating them with dignity and respect. We comply fully with KSA labor laws, including provisions on forced labor, working hours, working conditions, living conditions, minimum age, minimum wage, end-of-service benefits, and medical insurance.

ANTI-BRIBERY, ANTI-CORRUPTION & GIFTS

We maintain zero tolerance for bribery, corruption, or extortion in any form — with government officials or private-sector individuals. We do not offer bribes, kickbacks, or improper payments. Gifts, gratuities, or hospitality to Saudi Aramco personnel are strictly limited to nominal-value, customary business items only.

MONITORING, COMPLIANCE & CONFIDENTIALITY

We conduct periodic internal reviews, inspections, and audits to confirm compliance with this Code. All Saudi Aramco proprietary and confidential information is protected under strict confidentiality obligations. We cooperate fully with Saudi Aramco in any compliance inquiries or investigations and promptly disclose any potential violations.

ETHICAL SOURCING & ANTITRUST COMPLIANCE

We source goods and services only from third parties that meet country-of-origin standards for health and safety, working hours, pay, employment conditions, and environmental protection. We comply with all applicable antitrust and competition laws and do not engage in practices that violate such regulations.

RELATIONSHIPS & COMMUNICATIONS WITH SAUDI ARAMCO

All transactions with Saudi Aramco are conducted fairly, honestly, and with integrity. We do not engage with current or former Saudi Aramco employees in any manner that would cause unauthorized disclosure of confidential or proprietary information. All communications follow Saudi Aramco-designated protocols.

REPORTING VIOLATIONS

Potential or actual violations of the Saudi Aramco Supplier Code of Conduct and other ethical irregularities are reported directly to the Saudi Aramco General Auditor:
